DETAILED ACTION

Information Disclosure Statement

The Information Disclosure Statement filed on 11/20/06 is not considered because it does not comply with the requirements for the fee and certification as set forth by 37 CFR 1.97.

Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:
 - The primary reason for allowance of claims 1, 19, and 38 is due to the incorporation of the previously held allowable claims 9, 28, and 45 which state "the printhead receives a supply of the ejectable liquid at an ambient temperature, and each heater element is configured such that the energy required to be applied thereto to heat said part to cause the ejection of a said drop is less than the energy required to heat a volume of said ejectable liquid equal to the volume of the said drop, from a temperature equal to said ambient temperature to said boiling point" in independent form. The amended independent claims overcome the prior art.
 - The reason for allowance of claims 2-8, 10-18, 20-27, 29-37, 39-44, and 46-54 is due to their dependency on claims 1, 19, and 38, which overcome the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
